## ONE CALL GETS THINGS BACK IN ORDER

When your property needs reconstruction or restoration after a disaster, you need a company that will have your insured back in their home or business as quickly as possible.

With one call to ServiceMaster, you have the expertise of a full-service general contractor specializing in fire and water damage restoration. We're on the job immediately, and we stay until the project is complete-and it isn't complete until your insured is satisfied. We're in constant communication with you the entire time so there are no surprises.

## YOUR SATISFACTION IS GUARANTEED AND SO IS YOUR INSURED'S PEACE OF MIND

It just makes sense to call the one company with so many resources. ServiceMaster is experienced, equipped, and ready to restore a business or home after any disaster. And it's guaranteed: your and your customer's satisfaction. You keep a satisfied customer, and save time, money and hassle.

The result is minimal inconvenience for your insured building their trust in you and your company.

You can call with confidence knowing that ServiceMaster has been a leader in restoration and cleaning for over 50 years.

## THE COMPLETE COST-EFFECTIVE SOURCE IS SERVICEMASTER

Your Insured wants things back in order quickly, with as little confusion as possible. You need one source to handle the entire project professionally and efficiently. ServiceMaster is the call to make.

### WHETHER YOU NEED EMERGENCY SERVICES SUCH AS:

- Board-up Service
- Demolition/Debris Removal
- Roof Cover-up
- Tree Limb Removal
- Plumbing Repair
- Electrical Repair

...or actual reconstruction of your insured's home or business. ServiceMaster is able to move at a moment's notice. Immediate response controls costs and mitigates damage. After we've handled the immediate need, we can begin the final steps to a complete recovery and restoration.
